

ENVIRONMENTAL PERFORMANCE COMMUNICATION

Grupo Maya is a company committed to protecting and conserving the environment, and to fulfil this commitment, it has implemented a Management System in accordance with the guidelines of the UNE-EN ISO 14001 standard.

In line with our philosophy of continuous improvement in our environmental performance, we periodically set objectives and establish environmental indicators.

We also periodically determine the environmental aspects derived from our activity and their impact, establishing preventive measures to minimise or eliminate them, as appropriate.

The results of our environmental performance are available to all parties interested in our activity.

If you would like to find out more or make any enquiries, please contact us at the following address: info@grupomaya.es
